⚠ **CAREFULLY READ THE FOLLOWING AND TAKE IT INTO CONSIDERATION!**

The present rider is the document that defines the list of terms and requirements imposed on the Customer, in order to ensure provision of services by DZIDZIO band. Implementation of the rider provisions is particularly important for quality performance of the band. The non-fulfilment or inappropriate fulfilment of the terms specified in the present rider presents the ground for the band's denial of rendering services, leads to the Customer's recovery of the losses incurred by the band and deprives the Customer the right to demand recovery of any prepayments. Costs associated with implementation of the terms specified in the present rider are covered at the Customer's expense.
